

APEC Wine Regulatory Forum

October 10 - 11 ♦ Honolulu, HI

FIVS-Abridge User Guide

FIVS-Abridge Guide Outline

- Overview of APEC user access.
- How to view individual economy **regulations**.
- How to **compare** economy **regulations**.
- How to access the **APEC WRF Compendia** on Export Certification, Food Safety, Labeling and Methods of Analysis in FIVS-Abridge.
- How to view **international agreements** in FIVS-Abridge.
- How to access **additional resources** in FIVS-Abridge.
- How to **search keywords** in the FIVS-Abridge database.

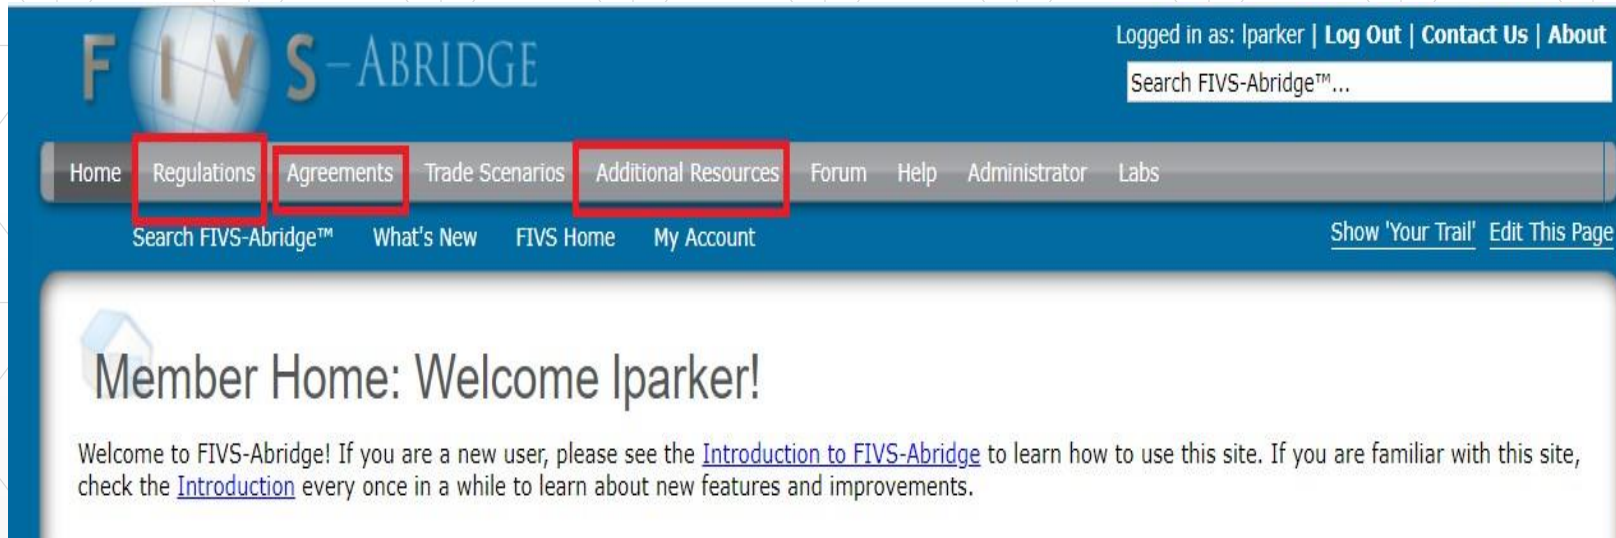

Overview of APEC User Access

- Regulators from each of the participating APEC economies have access to the FIVS-Abridge website in return for providing regulatory updates to FIVS-Abridge Staff.
- New or edited regulatory data to be provided in Spring and Autumn of each calendar year.
- Accessing the database:

For information on the APEC WRF's Username and Password, please contact lparker@fivs-abridge.com

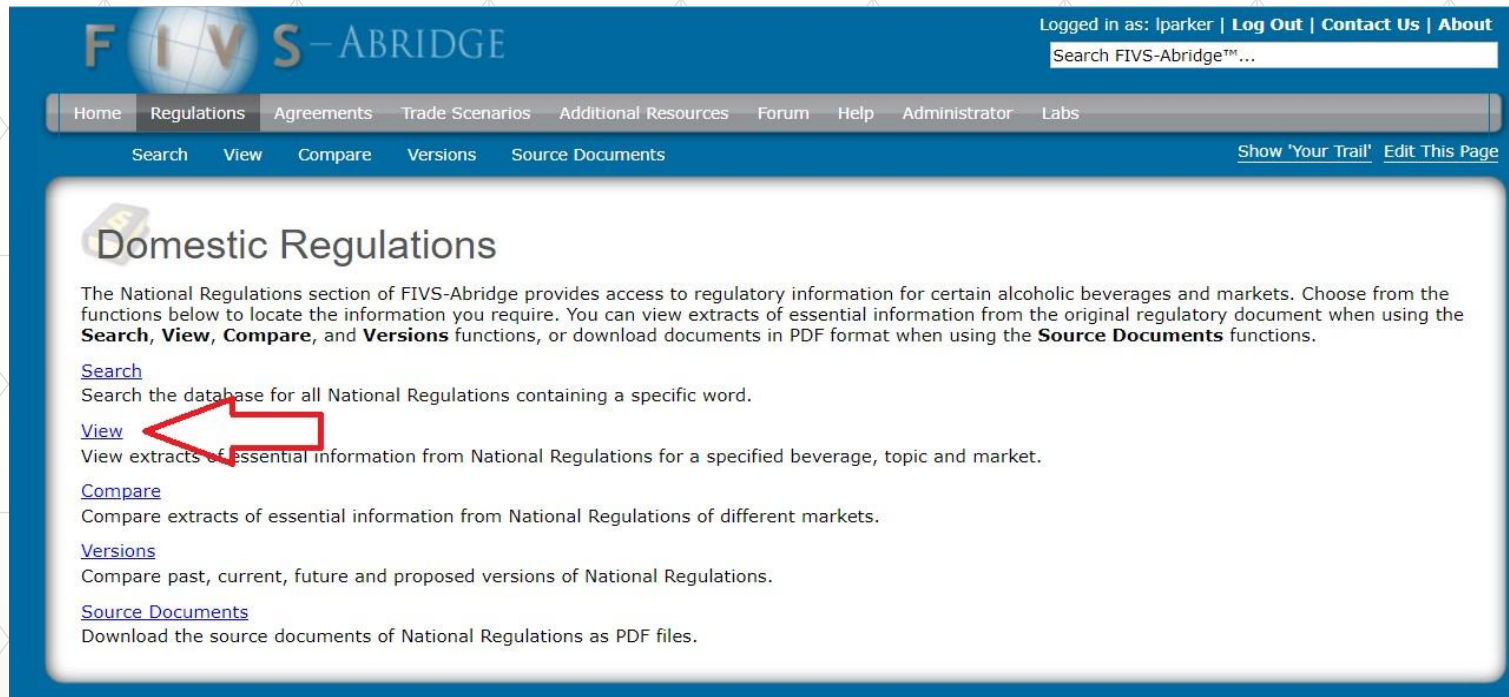

Navigating the Database

- On the main page there are multiple options on the gray menu bar:
 - “Domestic Regulations”—regulations from each economy
 - “Trade Agreements”—information on trade agreements and FTAs
 - “Additional Resources”—contains information on contacts (networking) and industry reports (Market and Industry reports)

The screenshot displays the FIVS-ABRIDGE website interface. At the top left, the logo "FIVS-ABRIDGE" is visible. In the top right corner, there is a user login status: "Logged in as: lparker | Log Out | Contact Us | About". Below this is a search bar labeled "Search FIVS-Abridge™...". A horizontal navigation bar contains several menu items: "Home", "Regulations", "Agreements", "Trade Scenarios", "Additional Resources", "Forum", "Help", "Administrator", and "Labs". The "Regulations", "Agreements", and "Additional Resources" items are highlighted with red rectangular boxes. Below the navigation bar, there are links for "Search FIVS-Abridge™", "What's New", "FIVS Home", and "My Account". On the right side of this section, there are links for "Show 'Your Trail'" and "Edit This Page". The main content area features a "Member Home: Welcome lparker!" message, followed by a welcome text: "Welcome to FIVS-Abridge! If you are a new user, please see the [Introduction to FIVS-Abridge](#) to learn how to use this site. If you are familiar with this site, check the [Introduction](#) every once in a while to learn about new features and improvements."

Domestic Regulations

The National Regulations section of FIVS-Abridge provides access to regulatory information for certain alcoholic beverages and markets. Choose from the functions below to locate the information you require. You can view extracts of essential information from the original regulatory document when using the **Search**, **View**, **Compare**, and **Versions** functions, or download documents in PDF format when using the **Source Documents** functions.

[Search](#)
Search the database for all National Regulations containing a specific word.

[View](#) 
View extracts of essential information from National Regulations for a specified beverage, topic and market.

[Compare](#)
Compare extracts of essential information from National Regulations of different markets.

[Versions](#)
Compare past, current, future and proposed versions of National Regulations.

[Source Documents](#)
Download the source documents of National Regulations as PDF files.

- Remember, when looking at the regulations, all the citations with blue hyperlinks will retrieve a PDF version of the regulation.

Canada Wine Labeling
Current - 2008-01-01 - Version 1 - Grouped by Requirements Page Actions

The following information pertains to Canadian regulations on labelling for wine products. Please note that the following does not account for any additional regulations that may be applicable to the importation of products into specific provinces. For *province specific* labeling information, please refer to Wine Australia's [Export Market Guide](#).

Canada's labeling requirements are governed by the:

- [Consumer Package & Labelling Act \(R.S.C., 1985, c. C-38\)](#)
- [Consumer Packaging and Labelling Regulations, \(C.R.C., c. 417\)](#)
- [Food and Drug Regulations, \(C.R.C., c. 870\)](#)

Please note that some of the information below has been provided care of the **APEC Wine Regulatory Forum Working Group on Compendia**. If there is no other information, then the authoritative source documentation is not provided at this time.

Mandatory Elements

Text coloring key: The exact law in the original language or official government translation Professional unofficial translation Best translation available

Title	Description
Additive labeling	<p><i>Pictorial Representations on Food Labels</i></p> <p>Section 34</p> <p>(1) Where a flavouring ingredient is added to a prepackaged product that is a food and the ingredient is not derived from such natural substances as meat, fish, poultry, fruits, vegetables, edible yeast, herbs, spices, bark, buds, roots, leaves or other plant material and the label of the prepackaged product shows a pictorial representation that connotes the natural food flavour that is being simulated by the added flavouring ingredient, the label shall contain information that the added flavouring ingredient is imitation, artificial or simulated.</p> <p>(2) The information referred to in subsection (1) shall be easily legible and in letters at least the same size as the sizes prescribed in subsection 14(2).</p> <p>(3) Where a pictorial representation referred to in subsection (1) appears</p> <ul style="list-style-type: none">(a) on the principal display panel, the information referred to in that subsection shall be shown on or adjacent to the pictorial representation;(b) on a part of the label other than the principal display panel, the information shall be shown on the principal display panel, adjacent to the common name of the prepackaged product; or(c) on the principal display panel and on any other part of the label, the information shall be shown on or adjacent to the pictorial representation on the principal display panel."

There are two (2) types of regulations

1. Regulations provided by the legislation of the domestic economy.

Antimony

Ex. Singapore

"31(6) No person shall import, sell, advertise, manufacture, consign or deliver any food containing **antimony** in excess of 1 ppm."

Source: Food Regulations, [Regulation 31\(6\)](#).

Antimony (max):

1 ppm (applicable to all foods)

Source: APEC Wine Regulatory Forum, [Food Safety Compendium \(January 2018\)](#)

2. Regulatory information provided by participating economic of the APEC WRF.

Antimony

Ex. Singapore

"31(6) No person shall import, sell, advertise, manufacture, consign or deliver any food containing **antimony** in excess of 1 ppm."

Tips
The **View International Agreements** function will find all International Agreements in the database for the specified beverage, markets and regulatory topic.

How to Access Additional Resources

- Select **Additional Resources** from main menu.
- Select the **Market & Industry Reports, Codes of Practice, Guidance Documents, or Networking.**

The screenshot shows the FIVS-ABRIDGE website interface. At the top, the logo 'FIVS-ABRIDGE' is displayed on the left, and the user is logged in as 'Demo' with links for 'Log Out', 'Contact Us', and 'About' on the right. A search bar is also present. The main navigation menu includes 'Home', 'Regulations', 'Agreements', 'Trade Scenarios', 'Additional Resources' (highlighted with a red box), 'Forum', 'Help', 'Administrator', and ' Labs'. Below this, a secondary menu lists 'Market & Industry Reports', 'Codes of Practice', 'Guidance Documents', and 'Networking', with a 'Show 'Your Trail'' link on the far right. The main content area is titled 'Additional Resources' and contains a paragraph explaining the section's purpose, followed by four sub-sections: 'Market & Industry Reports', 'Codes of Practice', 'Guidance Documents', and 'Networking', each with a brief description and a link to the respective content.

Additional Resources

The Additional Resources section of FIVS-Abridge provides access to other information related to the international alcohol beverage industry, including useful links and contact information for many related organizations. Choose from the options below to locate the information you require.

[Market & Industry Reports](#)
Browse Market and Industry Reports, including [USDA GAIN reports](#) and [Australian Grape and Wine Authority Export Market Guides](#) for select beverages and markets.

[Codes of Practice](#)
Browse Codes of Practice for select beverages and markets.

[Guidance Documents](#)
Browse Guidance Documents for select beverages and markets.

[Networking](#)
Browse links to other useful web sites and contact information for many industry, governmental, and inter-governmental organizations.

How to Search Keywords

- Enter keyword(s) in search box located in upper right corner of site.
- Filter results by **topic, market, and/or location on the site**. Select **Compare subtopic** to compare.

The screenshot displays the FIVS-ABRIDGE website interface. At the top left, the logo 'FIVS-ABRIDGE' is visible. In the top right corner, there is a navigation menu with links: 'Logged in as: Demo | Log Out | Contact Us | About'. Below this, a search box contains the text 'sulphite sulfite'. A horizontal navigation bar below the search box includes links for 'Home', 'Regulations', 'Agreements', 'Trade Scenarios', 'Additional Resources', 'Forum', 'Help', 'Administrator', and 'Labs'. Below the navigation bar, there are links for 'Search FIVS-Abridge™', 'What's New', 'FIVS Home', 'My Account', and 'Show 'Your Trail''. The main content area features a 'Member Home: Welcome Demo!' message with a house icon. Below the message, there is a welcome text: 'Welcome to FIVS-Abridge! If you are a new user, please see the [Introduction to FIVS-Abridge](#) to learn how to use this site. If you are familiar with this site, check the [Introduction](#) every once in a while to learn about new features and improvements.' There are two main sections: 'National Regulations' with a sub-menu containing 'Search', 'View', 'Compare', 'Versions', and 'Source Documents'; and 'Search' with a sub-menu containing 'Search All FIVS-Abridge™ Content', 'Search National Regulations', and 'Search International Agreements'.
