INGENIERO AGRÓNOMO ENÓLOGO / QUÍMICO

JEFE SUBDEPTO. LABORATORIOS AGRÍCOLA

Total Export Certificates validates 2012: 95.987

Export Certification Procedure

To Export Certification, the exporter must to comply with two requeriments set out by the Law:

- 1. Register as exporter and /or producer into Agricultural and Livestock Service List. (Art. 13, Law N° 18.455)
- 2. Register of each product to export into Agricultural and Livestock Service List. (Art. 59, Decree N° 78, Law N° 18.455)

Export Certification Procedure

Having complied with the above requirements, export documentation must be supported by:

- 1. Appellation of Origen certificate attesting indications of geographical origin, variety and vintage of the product.
- 2. Analytical Report issued by a laboratory accredited by the Agricultural and Livestock Service to ensure potability and safety of the finished product.
